What Is Lease-to-Own Financing?

Lease-to-own is an alternative method of financing. Snap buys the merchandise and leases it to you. Once you have fulfilled the terms of your agreement, the merchandise is yours.

Standard Lease Costs and Payments

Our standard lease is a maximum of 12-18 months.

The lease includes a cost added to the cash price of the merchandise being leased, and your total cost could be more than double the cash price of the merchandise.

Your lease payments will be automatically deducted from the checking account provided in the lease application.

You Have Options with Snap

lease You have options to gain ownership early and save on lease costs.

lease You may cancel your lease at any time by notifying and returning the merchandise to Snap.
